

# Paragraph Format

## Topic Sentence

This sentence should include the main idea for what your paragraph will be about.

---

---

## The first part

Use this sentence starter or use your own transition word that introduces what happens first.

---

---

## Then we

What happens next in your story. Include lots of details.

---

---

## At the end

Use this transition to write about how your story resolves or ends.

---

---

## Concluding Sentence

You can refer to your topic sentence, but you want this sentence to summarize your experience and feelings about it.

---

---
